

Alliance for action on gender equality

Join our network of committed people who have joined forces to cooperatively fight gender bias!

We are striving for a world in which everyone has equal opportunity to participate and thrive.

MEMBERSHIP IS FREE!

Our values are:

integrity, respect, equity, recognition of our shared vulnerability, openness, hospitality, courage, fairness and truthfulness.

Our mission is to:

- collaborate across all sectors of the community to promote knowledge, skills, attitudes and practices that build gender equality in all of areas of life,
- improve fairness, economic security, workforce and education participation, well-being and psychosocial safety by eliminating gender bias, and
- undertake and share collaborative research that explores inclusive practices and shared decision-making to achieve justice.

Membership benefits

The Alliance is a platform for:

- raising the profile of your organisation
- increasing the impact of your work by forging synergies with others
- building networks to expand your influence and bring about change
- accessing training and education
- sharing resources, ideas, experiences and innovation
- highlighting activities and approaches that really work.

Alliance members receive:

- Welcome Pack, containing information and resources on gender bias and psychosocial safety
- free access to a range of resources via the website
- specialised workshops and training
- eligibility for participation in workplace psychosocial safety accreditation
- regular newsletters about activities of the members and other relevant events
- networking opportunities with Alliance members

Alliance for action on gender equality

MEMBERSHIP APPLICATION

TAKE THE PLEDGE!

As a Member of the Alliance, I pledge to champion the mission and values of the Alliance by

- promoting the power and impact of gender equality and inclusion
- leading actions that fight gender bias
- working collaboratively to demolish barriers to gender equality, including sharing research, resources, best practices, and lessons-learned
- showcasing the impact of my / my organisation's activities in fighting gender bias
- being a role model for actions that can accelerate social change
